

# THE PERFECT PIZZA BEGINS ON HOOSIER FARMS

(By Thomas (Trey) Dunn III, Jay County)

Set for the kick-off,  
We work as a team.  
Joining together,  
To accomplish our dream  
We'll celebrate the victory.  
It's time to begin.  
The perfect Hoosier pizza,  
Will help your body win!

BUZZ! "The final in tonight's football contest is Junk Food 0, Hoosier Pizza 100 percent healthy! Stay tuned, we'll recap tonight's game and we will be joined by the workhorses on the team; the 4 basic food groups."

"Mr. Grain, I thought your unit looked especially good in the first quarter." "Indiana farmers prepared Wil Wheat, Otis Oat, and Sam Soybean well for this game. They mixed it up right away and they were the gluten that held us together. They rolled out with a great foundation and used their carbohydrates to keep us energized."

"Mr. Fruit A. Veg, the second quarter definitely belonged to your members." "I thought the Tomato triplets were really firm tonight, as grown by our Indiana farmers. Their play was smashing! They spread the defense all over the field. The Mushrooms and Peppers sliced their way through tonight also. Vitamins A and C worked hard at keeping us focused and alert throughout."

"Mr. Meat, the third quarter was great!" "Thanks, Indiana farmers really came through with that lean, mean Beef and Pork. They definitely saved our bacon out there tonight! Their protein helped us out muscle the other guys."

Mr. Dairy, I don't think you could top your fourth quarter." "Indiana farmers landed us on top tonight! Ched Dar, Pro Valone, and Mott Zerella shredded our opponent's game plan. Their calcium has been building strong bones and teeth all year."

"You heard it fans! Let's celebrate a victory with our 100 percent healthy, Perfect Pizza team, prepared with pride on Hoosier farms."

# THE PERFECT PIZZA BEGINS ON HOOSIER FARMS

(By Brittany Lechner, Daviess County)

You're invited to my Indiana pizza party! All the ingredients for this meal are produced right here in the Hoosier state!

First I will make the dough with flour from an Indiana wheat farm. Over 10,000 farms here grow wheat, generating over \$91 million. There's obviously plenty of wheat here.

Then I will create the sauce, beginning at Etienne's Farm Market in Washington for tomatoes, peppers, and onions. This family farm has provided the local community with fresh fruits and vegetables for over 25 years.

Next I will travel to Elnora for a package or two of Grahams mozzarella cheese from the company started by Robert Graham in 1928. This excellent cheese is known statewide!

Now come the sausage and pepperoni. The pigs that provide these toppings used to live right here on one of the many pig farms in Daviess County.

After gathering the pizza ingredients, I turn to my side dishes. Doty Orchard, also in Daviess County, provides a couple of fresh peaches. A drink would be welcome, so I choose a glass of fresh milk. Considering the many dairy farms in Indiana, milk is no problem for a drink.

Now that my pizza is in the oven and the peaches are sliced, let me show you just how

nutritious a meal we have: My feast consists of two dairy servings, two vegetable/fruits, and one meat serving. Pretty healthy, if I do say so.

Altogether I think this pizza meal is a good source of nutrition and shows just how Indiana farmers keep us healthy.

## 2004-2005 District Essay Winners

### District 1

Trevor Chrzan  
Aubri Smeltzer

### District 2

Clayton Gerig  
Tianna Stieglitz

### District 3
